Special Thanks

Without these people the Day of Service would not be possible...

The Project Leaders

Thank you for taking the time to develop a project and your willingness to lead a group of students.

Dr. Keith Iddings
Dr. Daryl Couch

Thank you for the vision to create the Day of Service **and**
for cancelling classes.

Servant Leaders

Everyone that went out and served even if it was for an hour, your service was very much appreciated. Special thanks to the drivers and Conference Service with assistance in the logistics of the day.
